

# VETSENSE

ANIMAL HEALTH

## YOUR SHOW & GROOMING ESSENTIALS

Multipurpose grooming spray

- Detangles
- Deodorises
- Conditions
- Shine
- UV filter

### EQUIGLOSS 5IN1

A deep cleansing and nourishing conditioning shampoo, Sulphate and Soap free. pH balanced whilst also containing vitamins, skin soothing oatmeal extracts and aloe vera.

### EQUIGLOSS 2IN1

Concentrated detangler and shine gel specifically formulated for tails and coats. Apply to dry or wet hair containing silk proteins, lavender oil and vitamin E. Great for quarter markers.

### ELIMINOTS

- Contains iron, vitamins, minerals and amino acids.
- Cobalt free.
- Improves appetite.
- Helps to DARKEN & SHINE your horses coat from within.
- 6 doses per tube.
- Highly palatable.
- Administer 10mL. 3 times a week.

### HEMO PASTE

- Contains Tryptophan & Magnesium.
- Helps to reduce nerves and 'flighty' behaviour.
- 20mL dose per 450kg-600kg horse.
- 3 doses per tube.
- Use daily or prior to show and travel.
- Highly palatable.

### NERVAID PASTE CALMING PASTE

- For heavily knotted tails, apply a couple small squirts of EliminoTS at the top of the tail and firmly brush through.
- Nervous Traveller? Give one dose of NervaID the night before and one the morning of floating. Roughly 8-12 hours apart.
- Improve Coat Shine: dose Hemo paste 10mL @ three times per week for 2-3 weeks before seeing results. One tube is two weeks supply.
