

OsteoAid DAILY

Support for healthy muscle and joint function in dogs.

Vetsense OsteoAid Daily is an effective joint supplement specially formulated to support canine joint health, flexibility, and overall mobility. Packed with a powerful blend of scientifically backed ingredients, OsteoAid is ideal for dogs of all ages, from growing pups to senior companions.

KEY INGREDIENTS:

Green Lipped Mussel, Curcumin, Glucosamine Sulphate, Chondroitin Sulphate and MSM.

KEY BENEFITS:

- ✓ **Joint Support & Flexibility:** Combines Glucosamine Sulphate, Chondroitin Sulphate, and MSM to promote cartilage health, reduce stiffness, and support comfortable joint movement.
- ✓ **Natural Anti-Inflammatory:** Green Lipped Mussel and Curcumin provide natural anti-inflammatory benefits, helping to ease joint discomfort and protect against wear and tear.
- ✓ **Bone Strength & Resilience:** Fortified with Calcium, Vitamin D3 and Manganese to support strong bones and overall skeletal health.
- ✓ **Cellular Health & Recovery:** Vitamin C and Lecithin offer antioxidant protection and cellular repair for optimal recovery and vitality.
- ✓ **Joint Cushioning & Lubrication:** Hyaluronic Acid helps maintain joint fluid for smooth, pain-free movement.
- ✓ **Irresistible Taste:** Made with Cod Liver Oil and natural Roast Chicken flavour, ensuring even the pickiest pups look forward to their daily dose.

Give your dog the freedom to move with ease. Choose Vetsense OsteoAid Daily for healthier, happier joints.

DIRECTIONS FOR USE

DOSE RATE

For severe joint and mobility issues, we recommend visiting your preferred veterinarian.
